It Really is a
revolution...

Escape To Snow In the Monashee

1 TOURING...

By car, horse or sleigh, there are some great winter travel routes in the Monashee. Explore great country style dining experiences, the many art studios and maybe some special events, even a spa. You can book a group shuttle complete with an experienced guide. Explore scenic walkways in a winter wonderland!

Stay at world-class accommodation at Lakeside Illahee Inn only minutes from the Kelowna Airport. After a day of destination skiing and snowshoeing, enjoy luxury complete with a spa treatment. An ideal base camp for your Monashee snow adventure complete.

2 RELAX...

Comfort mixed with wilderness and adrenalin are the key ingredients to a better life. Why drive? Your family and group can be shuttled from your snow experience to great accommodation. How about a heritage cabin surrounded by forest and overlooking a frozen lake, what a great way to spend some time in a winter wonderland. What a perfect Christmas or New Years escape for the whole family.

3 ICE SKATING, ICE FISHING & TOBOGGANING...

A weekend of Fishing, skating and tobogganing, is a combination you simply can't find at a ski village...and its so quiet you can hear the snow fall. At the end of the day, curl up next to a wood fireplace in an old fashion heritage log cabin.

Frozen ponds and lakes adorn the Monashee. There's nothing like a blanket of snow covering the trees and a fire at the edge of a pond rink. Many of the backcountry lodges have skating rinks right outside your cabin door.

4 SNOWSHOE...

Explore snow using a historical mode of travel, snowshoes. This is great fun for the whole family or groups of friends. It's easy with no skill required. Park Mountain, Coyote Sleeping (The Camels Hump) are a few places where you can take a day-trek snowshoeing. Perhaps hire a shuttle service like Winds & Rivers Escapes, they can provide an entire group with a snowshoeing experience, which includes the snowshoes.

Snow Escape to Park Mountain

SNOW LEGEND

- Snowshoe.....
- X-Country Skiing.....
- Remote Downhill Skiing.....
- Snowmobile.....
- Accommodation.....
- Attraction or Viewpoint.....

Park Mountain Motorized Area managed by the volunteers of the Lumby Snowmobile Club (many thanks) is the best place in the Okanagan for snowmobiling. Great remote X-Country Skiing and snowshoeing. Check out Cascade Falls. This is a great drive to Mabel Lake, stop at Snowcap Falls.

A rendezvous
of winter
pleasure...

5 BACKCOUNTRY SKI AND SKI....

The Monashee is a great destination for X-country Ski enthusiasts. It will get you and your friends back to an original ski experience, away from the crowds. Try the alpine at Keefer Lake Resort, if you want to get above the clouds and into the sun.

Closer to the B&B's try Park Mountain with its great views. Saddle Mountain and Coyote Sleeping (The Camels Hump) provide great views of the foothills and is a chance to mix your skiing with ice fishing and snowshoeing.

Snow Escape to Tsuis Mountain & Sitkum Plateau

Great touring views of the Monashee providing the roads are open. Winter rainforest walk to Rainbow Falls. X-Country Ski and snowshoe. Backcountry downhill skiing at Sol Mountain and Monashee Powder.

AND SKI...

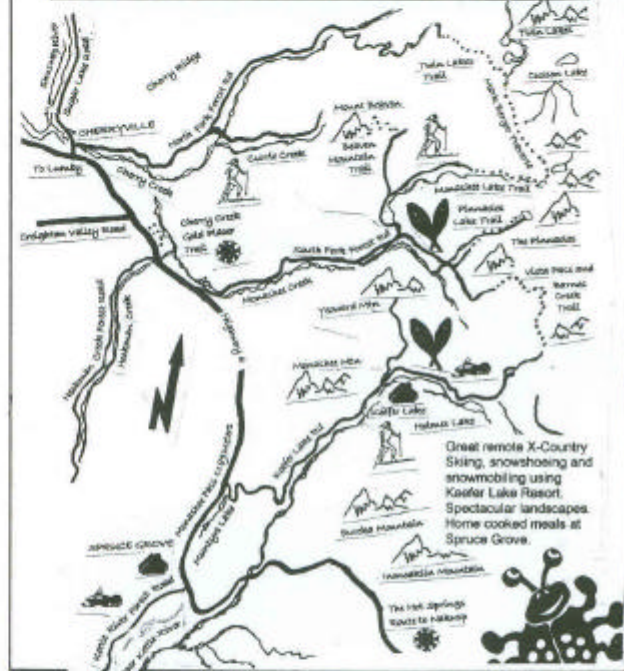

Powder like no other place on earth. Experience world-class downhill skiing and mountain touring in real mountains. These aren't ski "hills" this is what skiing was meant to be like. Try guided backcountry skiing with SOL Mountain Touring or Valkyr Adventures.
